

LOOKING UPWARDS offers THE HANEN PROGRAM®

**For families with toddlers & preschool-age children
with speech or language delays**

It Takes Two to Talk®

This 11 week class will focus on:

- Developing Communication
- Encouraging language learning in everyday activities
- Setting communication goals
- Enhancing responsiveness to children's communication attempts

What Parents Say...

“He is actually seeking us out to tell us things!”

“It provides the support and knowledge you need to help your child progress.”

“I'm seeing progress and decreased frustration.”

“I was surprised by how ...following a child's lead can lend itself to many opportunities to communicate and build language.”

**Please join us for an information session to learn more about this
exciting opportunity**
