

Looking Upwards' 14th Annual Golf Tournament

A great day for a great cause... Clear skies greeted the more than 100 golfers who strolled onto the green to test their skill and have fun in support of Looking Upwards. The agency's 14th annual Golf Tournament, held on June 18th, raised over \$14,000 to benefit Looking Upwards' mission of supporting people with disabilities to live fulfilling lives.

We would like to extend our heartfelt thanks to the golfers, the golf committee and all of the members of the community who helped to make this event a success.

Our special thanks to:

2010 tournament sponsors:
